

October 2024 Newsletter

Welcome to our first ever Angel's Acre's monthly newsletter! We hope you will enjoy reading about the latest events and happenings here at our sanctuary.

If you haven't had a chance to visit us in person yet, we offer a family friendly experience where you can get to know our residents and learn more about our mission of animal rescue. We offer animal feeding experiences (no outside food, but you can purchase special animal feed in our gift shop!). Our volunteers love to give tours of goat town, piggy land, the duck pond, our horse pastures, and around the farm you will see our other four legged friends as well.

OR
TREAT
BENEFIT**

PRIZES FOR BEST TRUNK DECORATIONS

You are invited to our first ever Trunk or Treat Benefit at Angel's Acres! Wear your favorite costume, visit with the animals and collect some Halloween goodies! Admission is free, but donations are appreciated as we are raising money to help take care of the animals through the winter months.

There will be food available for purchase and our gift shop will be open for shopping while you enjoy some favorite Halloween tunes, and there will be crafts and games for the children as well as a Halloween Costume parade at 6:30 pm.

Register your vehicle here if you would like to enter the trunk or treat contest and pass out candy, we have limited spots available (there is a \$5 registration fee which benefits Angel's Acres). Vehicles may arrive and start decorating as early as 2 pm. The trunk or treat will begin at 5 pm. There will be prizes for the best decorated trunks!

Animal of the Month

Meet: Felicia

Felicia

came to Angel's Acres with her momma, in the spring of 2023. Although her mother sadly passed away shortly after her arrival, Felicia has thrived with the great care and attention she receives at our sanctuary. However, Felicia has an incurable disease that causes her joints to lock and she will eventually be unable to use her legs.

With the help of our generous donors, we were able to outfit her with a wheelchair to help improve her mobility. With her disease progressing, we will need to upgrade her to a front wheel cart, that will allow her to have full support under the front half of her body, while still being able to sit down and to chew grass as goats like to do.

Did you know?

Certain foods are toxic to goats and can cause death! This is why we only allow visitors to feed the goats treats from our gift shop to keep them extra safe.

Felicia is a favorite with our visitors, and you can usually find her sunbathing on the porch or spending time with her buddy, Bear the dog. She has a very sweet personality and loves getting pets and treats. Because of her condition, Felicia requires extra special care and lives indoors with Bobbie and Terry, the owners of Angel's Acres, along with Norman the goat, Bear the dog, and Boo the cat.

Many of our rescued animals have significant lifelong medical needs. At Angel's Acres, they can live out the rest of their lives in comfort, receiving top notch care.

Thank You!

At the end of August, we held our 3rd annual benefit festival to raise money for the sanctuary. The animals, volunteers and staff of Angel's Acres are incredibly humbled and grateful for all of the donations received and community support. We count on this event every year to help take care of the animals through the winter months when we are closed to visitors.

While the weather was very hot this year, everyone enjoyed the festivities. We want to give a special thanks to our vendors who provided food, shopping, rides and games, photography, as well as gift cards and raffle baskets.

For a full gallery of photos from the event, please visit our website at www.angelsacres.org

During our festival, we allow visitors to vote for their favorite animal with a donation. This year, Bear won their hearts and took home first place! Bear was rescued in 2023 and enjoys playing with his stuffies in the yard.

VOLUNTEER WITH US

We rely on volunteers to help us care for the animals year round, and we are always looking for dedicated animal lovers to join our team. We also need volunteers to help with special events and there are behind the scenes opportunities too! If you are interested in volunteering with us, please send us a message on our website and we will be in touch. Thank you!

YOUR IMPACT

At Angel's Acres, we rescue and provide a FOREVER home to farm animals who have come from situations of abuse and neglect.

We rehabilitate the animals we rescue, and provide loving care for the rest of their lives. These animals all deserve a second chance and a life of peace, hope and love.

Angel's Acres runs entirely on donations and volunteer power. We need your support to continue giving these animals a second chance at life.

All donations help cover the cost of running the sanctuary, including veterinary visits and medicines, feed, equipment, and facility repairs and maintenance. With your support, together we can save more animals and give them the life they deserve.
